

## DIGITAL CERTIFICATES

TrustID | Medium Assurance |  
Business Identity | Hardware Storage |  
Trusted By Adobe® Certificate

Because TrustID certificates are publicly trusted, affiliated programs are not applicable. Anyone can trust your signature or email secured by your TrustID | Medium Assurance | Business Identity | Hardware Storage | Trusted By Adobe® certificate.

### Product Summary

TrustID | Medium Assurance | Business Identity | Hardware Storage | Trusted By Adobe® certificates are issued under the publicly trusted IdenTrust TrustID program and are used by individuals who are affiliated with a sponsoring organization to conduct business in a digital world.

For AATL (Adobe Approved Trusted List), the digital signature is instantly trusted whenever the signed document is opened in Adobe® Acrobat®, or Reader® software.

The Hardware certificate is bound and stored on a FIPS 140-2 compliant hardware device (USB token or Smart card). This certificate can be used with multiple PCs or laptops if the ActivID® software is installed. This certificate is trusted by Adobe® (AATL-enabled). IdenTrust CA is a member certificated under the AATL program, see [Current AATL Members List](#).
