DoD ECA
Medium Token Assurance
Foreign Certificate

Product Summary

DoD ECA Medium Token Assurance Foreign certificates are issued under the Department of Defense External Certificate Authority program and are used to conduct business with the DoD and other Federal Government entities. This certificate is stored on a hardware device (Smart card or USB token) and can be used with multiple PCs or laptop as long as the device utility application is installed. If you are located outside of the U.S., you may apply for a Medium Token Assurance Foreign certificate. Applicants who reside in countries not approved by the U.S. Federal government may not be eligible.

This is our most popular ECA Foreign certificate type because it is accepted by the vast majority of DoD and other government agencies.
