

IGC Basic Assurance Unaffiliated with Hardware Certificate

Affiliated Programs

The IGC Basic Assurance Unaffiliated with Hardware certificate can be issued to Healthcare professionals for identity purposes only; however, it cannot be used for prescribing under the Electronic Prescriptions for Controlled Substances (EPCS) program.

IGC Basic Assurance Unaffiliated with Hardware certificates can also be used by professionals who submit digitally signed and sealed documents to government agencies for processing and approval.

Additionally, because these certificates are also publicly trusted, affiliated programs are not always applicable. Anyone can purchase or trust IGC certificates, digital signatures and emails secured by an IGC Basic Assurance Unaffiliated with Hardware certificates.

Select **BUY NOW** to use our Certificate Selection Wizard, where we will assist you in choosing the certificate type that has the appropriate assurance level required for you to transact business.
